

eBECS Finance 2 Year 0% Extended Payment Terms

OVERVIEW

For a limited period eBECS Finance is offering a 0% initiative to its customers to help spread the cost of upgrades, renewals and new investments. By providing you with payment terms suited to your cash flow and opex budget you can invest in the technology your business needs now and pay for the software over time.

VALIDITY

- This offer is available on Microsoft Dynamics NAV products including perpetual licenses, services and support.
- Minimum Order Value £20,000.
- 0% finance is provided on an industry standard 1 + 23 monthly profile and there is a £195 set up fee per agreement.
- 3 year terms are also available and you will receive a blended rate of 3.5%, which is below the current mid market rates.
- A range of alternative finance options also exist so please feel free to discuss your specific requirements.

BENEFITS OF USING THE 0% FINANCE EXTENDED PAYMENT TERMS

- Overcome the end of year budget constraints.
- Get the technology your business needs today.
- Pay over time as you realise the return on your investment.
